## INTRODUCTION

The *Illinois Register* is the official state document for publishing public notice of rulemaking activity by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category. Rulemaking activity consists of proposed or adopted new rules or amendments to or repealers of existing rules, including those by emergency or peremptory action.

The *Register* also contains Executive Orders and Proclamations issued by the Governor, notices of public information required by State statute, and activities (meeting agendas, Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State agencies. In addition, the *Register* contains a Cumulative Index listing alphabetically by agency the Parts (sets of rules) on which rulemaking activity has occurred in the current *Register* volume and a Sections Affected Index listing, by Title of the *Illinois Administrative Code*, each Section (including supplementary material) of a Part on which rulemaking activity has occurred in the current volume. Both indices are action coded and are designed to aid the public in monitoring rules.

The *Register* will serve as the update to the *Illinois Administrative Code*, a compilation of the rules of State agencies. The most recent edition of the *Code* along with the *Register* comprise the most current accounting of the State agencies' rules.

The *Illinois Register* is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act (Ill. Rev. Stat. 1985, ch. 127, pars. 1001 et seq., as amended).

- c) An Applicant must prove by clear and convincing evidence that an undue hardship is currently being suffered as a result of the inability to legally operate a motor vehicle. Mere inconvenience to the Applicant, or family and friends is not undue hardship. The Applicant should produce clear and convincing evidence as to the unavailability of reasonable alternative means of transportation, such as but not limited to: walking, mass transit, car pools, or being driven; how Applicant is currently getting to his/her destination; whether driving is required in the course of employment; the distance between the Applicant's residence and his/her destination; and similar factors relating to employment, and/or necessary medical care, and/or educational pursuits.

Additional parameters to consider in setting such limits shall include whether the Applicant commutes daily to the courses, or lives on or near campus and only needs to drive to and from the institution on an infrequent basis and is then able to get to the courses by other means of transportation. Such permit shall expire at the conclusion of the period in which the Applicant is currently enrolled. Each new enrollment period shall require a new application for an educational RDP.

- d) Factors which will be considered by the Department in determining the propriety of granting a Petitioner a RDP include, but are not limited to: the Applicant's age; whether the Applicant has driven while suspended or revoked; duration of present employment; number

- e) The effect of the issuance of a RDP upon public safety will be carefully considered before any RDP is granted, pursuant to Sections 6-205(c) and 6-206(c)3 of the Code.

- f) No RDP will be issued while any ticket is pending against him/her in any court of this or any other state, unless the pending citation or citations are also the cause of an open summary suspension or suspensions.

- g) A Petitioner who is otherwise eligible for a RDP may be referred to a remedial or rehabilitative program prior to the permit's issuance, if his/her driving record warrants such measures. (See Sections 6-205(c) and 6-206(c)3 of the Code).

- h) A Petitioner otherwise eligible for reinstatement of driving privileges or termination of a cancellation under 6-201(a)5 as it relates to 6-103.4, may be issued a RDP for a probationary or trial period, prior to full reinstatement of driving privileges or termination of cancellation in cases where the Petitioner has a poor driving record evidenced by many minor violations or a few serious violations or has been evaluated as Level II or Level III by an alcohol/drug evaluation.

- i) A RDP will be issued to an out-of-state resident only if he/she has a valid license to drive issued by the jurisdiction in which he/she resides; he/she has a verified employment, or medical, or educational related need to drive in Illinois; and he/she complies with all other requirements of this Subpart.

NOTE: Bold face print denotes statutory language.

## Section 449.10 Purpose and Scope

- a) This Part governs the use of liquefied petroleum gases (LPG) and compressed natural gas (CNG) as propellant fuel in school buses. The installation, maintenance and operation of such fuel systems are covered by this Part.

- b) The installation of an alternate fuel system, using compressed or liquefied gases, shall not conflict with any Federal Motor Vehicle Safety Standard or any requirements of this Subchapter applicable to school buses.

## Section 449.20 Application

This Part applies to any person who operates a school bus which is equipped to use any liquefied petroleum gas or compressed natural gas as a fuel propellant.

## Section 449.30 Installation, Maintenance and Operation

- a) No person may operate a school bus which is equipped to use Liquefied Petroleum Gas as a fuel propellant unless the installation, maintenance and operation is in accordance with the

National Fire Protection Association's (NFPA) Standard for the Storage and Handling of Liquefied Petroleum Gases, NFPA 58, February 6, 1989, not including any later editions or amendments.

- b) No person may operate a school bus which is equipped to use Compressed Natural Gas as a fuel propellant unless the installation, maintenance and operation of the fuel system is in accordance with NFPA 52, Standard for Compressed Natural Gas, (CNG) Vehicular Fuel Systems, June 8, 1988, not including any later amendments or editions.

## Section 449.40 Container Installation

In addition to the requirements established by Section 449.30, installation shall comply with the following:

- a) Compressed or liquefied gas containers shall not be mounted in the passenger or driver's compartment.
- b) Container valves, appurtenances and connections shall be mounted in an enclosed compartment.

- c) Containers shall be located at least 36 inches from the entrance door and any emergency exit. Due to the smaller size of Type II school buses, space limitations may sometimes make it impossible to locate a fuel tank further than 36 inches from an exit. **A Type II school bus has a gross vehicle weight rating of 10,000 pounds or less as defined in Section 12-800 of the Illinois Vehicle Equipment Law (Ill. Rev. Stat. 1987, ch. 95 1/2, par. 12-100 et seq.)** If the original fuel tank for a Type II bus was located within 36 inches from any exit, the alternate fuel container may be located in the same location as the original tank.

## Section 449.50 Carburetion Equipment

A fuel filter is required on alternate fuel systems.

## Section 449.60 Pipe and Hose Installation

In addition to the requirements established by Section 449.30, pipes and hoses installed on school buses for operation of an alternate fuel system shall comply with the following:

- a) No fuel supply line shall pass through the driver or passenger's compartment.

## DEPARTMENT OF TRANSPORTATION

## NOTICE OF PROPOSED RULES

- b) The pressure relief device shall be fabricated so that in the event of stress, the pipe or adaptor will break away without impairing the function of the relief valve.

- c) If installed, the adaptor connecting the piping system to the pressure relief device shall neither touch nor restrict any movable part of the pressure relief valve.

- d) The relief valve discharge piping system (piping system) must not be reduced at any point from the relief valve to the point of release into the atmosphere.

- e) The piping system shall be routed to minimize sharp elbows or bends. Any fittings that restrict the flow of discharge are prohibited. From the pressure relief device adaptor to the atmosphere, the minimum inside diameter of the piping must measure at least 3/4 of an inch.

- f) The piping system shall neither block nor hamper the operation of any window or door. The piping system shall preserve widths of passageways, aisles and emergency exits.

- g) Every portion of the piping system shall be gas tight (except the outlet) and shall be able to withstand forces from the discharge when the relief valve is in full open position. If for any reason the discharge outlet becomes blocked, the piping system must be capable of holding the full system pressure.

- h) To facilitate the removal of accumulated water, a drain cock shall be installed at the lowest point of the piping system. The drain must be capable of being held open manually and close automatically to prevent expelling LPG if discharged through the relief valve. A weep hole, or other opening that may result in discharged LPG flaming beneath the bus is prohibited.

- i) The portion of the piping system that leads upward to the atmosphere shall be installed either inside the passenger compartment, on the outside of the bus, or in the body wall between the inner and outer "skins" of the bus body.

- 1) Piping on the outside of the body shall be shielded below the window line to prevent "grabbing hold" or "hitching to." However, discharge piping that is located between the windshield and the vent window at the left front corner of the body need not be shielded.

- 2) Any portion of the piping system that is installed either

inside the passenger compartment or inside the body wall shall consist of one piece originating below the bus floor and exiting outside the bus roof. Every hole where piping passes through the floor or roof shall be sealed.

- j) The piping system must terminate above the eave lines of the bus body.
- k) The outlet of the piping system shall be located at least 36 inches from the air inlet or outlet of a ventilator or similar device installed on or near the roof. A "similar device" includes the fresh air intake of a heating, ventilating or air conditioning system. It does not include a side window that opens near the roof.
- l) A rain cap is required where the piping system exits into the atmosphere to minimize water or dirt from entering into either the relief valve or its discharge piping. The cap shall remain in place except when the relief valve operates. The cap shall be installed to minimize the entrance of water or dirt while the vehicle is in motion.
- m) The discharge piping system on a special education school bus shall conform to all provisions of this Part.

## Section 449.70 Identification

The fuel identification decal as required by Section 3-6.2.10 of NFPA 58 or Section 3-10.2 of NFPA 52 shall be displayed on the rear of the school bus not more than 12 inches above the top of the rear bumper and within 39 inches of the left side. The decal shall not be placed on any black portion of the bus body.

These Amendments reflect Fiscal Year 1989 changes which affected the Schedule of Salary Grades, Physician Administrator and Medical Facilities Administrator Rates, and the Merit Compensation System Salary Schedules.

In Sections 310.110, 310.130, 310.530, and 310.540, the dates were updated to reflect the new fiscal year. Also, in Section 310.110, paragraph (b) and in Section 310.530, paragraph (c) were deleted since the narrative in those paragraphs were no longer applicable.

In Section 310. Appendix B, the Schedule of Salary Grades was amended to reflect a 3.5% increase, in order to maintain appropriate relationship with increases negotiated and provided under the major collective bargaining contracts.

In Section 310. Appendixes C and D, the maximum salaries for the Physician Administrator and Medical Facilities Administrator Rates and the Merit Compensation System Salary Schedule were increased by 3.5%. The minimum salaries were not changed from the previous fiscal year. The midpoint salaries of both schedules were revised to reflect the new midpoint between the minimum and maximum rates. The "Merit Pay Zone Limit" of the Merit Compensation System Salary Schedule was increased by 5% of the new maximum rate.

15) Summary and Purpose of Rules:

The rules pertaining to Child Health Examinations (77 Ill. Adm. Code 665) cover required physical examinations, immunizations and screening tests related to school children.

The proposed amendments would change the mandated form to reflect current medical practice and clarify the ages when the examinations are required. Section 665.140 would be amended to change language related to special education students so that students entering high school are not required to have an examination at age 14 and again the following year.

Section 665.150 would be amended to permit Head Start physical examination forms in lieu of the required form. It also makes changes to reflect current language usage and medical practice.

Section 665.280 would be amended to clarify that students who are determined by the Department to be out of compliance for immunizations are subject to exclusion provisions.

In most cases, the effect of the amended rules will ease the burden on parents of Head Start children and of special education students entering regular grades in high school. The changes may require examinations for very young children enrolled in preschool programs operated by elementary or secondary schools, but is not more stringent than health requirements of children in day care or nursery schools licensed by the Department of Children and Family Services.

## Section 450.1335 Fees Prior to Closing

~~No licensee may require a borrower to pay any fees prior to the loan closing, except those in the nature of application fees and charges incurred by the licensee on behalf of the borrower to be paid to third parties such as appraisers or credit agencies.   - A) The commitment provided was written and accepted by prospective borrower;

## NOTICE OF ADOPTED AMENDMENTS

- B) There was reasonable likelihood that a loan could be closed pursuant to the terms of the commitment.

C) The value provided to the prospective borrower by the commitment was sufficient to justify the amount of the fee; and

D) The licensee was able to perform under the terms of the commitment.

b) Notwithstanding the foregoing, a licensee may require commitment fees or points in exchange for delivery of a True-Rate-Lock-In. Such fees or points must be refunded if the residential mortgage loan does not close, ~~or is not approved to close except when failure to close was due to action or failure to act by the borrower.~~

c) For purposes of this Section, "True-Rate-Lock-In" means issuing an unconditional written loan commitment at stated terms and interest rate without any qualification. A lender's commitment which contains a statement to the effect that the interest rate will be "x percent, or the rate in effect at loan closing, whichever is higher", or similar provision, does not constitute an unconditional written commitment. However, the following are not considered conditional:

- 1) A statement that the commitment is for a limited time ~~is not considered a qualification~~ (but the loan must be closed within the specified period of time).
- 2) A statement that the commitment is based upon information provided by the borrower and verifications of such information received by the licensee in the course of processing the application, or upon the execution and receipt of standard mortgage documentation which shall include the documents required for that individual loan product being offered by the licensee.
- 3) A statement that it is understood there will be no change in the borrower's financial circumstances prior to closing which would result in the borrower's ineligibility for the loan based on the standards applied by the licensee in issuing the commitment. For example, such a statement might address the continued employment and creditworthiness of the applicant or total amount of outstanding indebtedness.
- 4) A statement that the commitment is based upon normal requirements that the credit of the obligor and the security for the loan are at the time of closing the same as represented in the application for the loan. For example, this type of statement could deal with the condition of title to the mortgaged premises, or the construction or rehabilitation of the building.

## DEPARTMENT ON AGING

Heading of Part: Community Care Program

Code Citation: 89 Ill. Adm. Code 240

Section Numbers: 240.220

Date Originally Published in Illinois Register: August 25, 1989  
13 Ill. Reg. 13638

At its meeting on October 17, 1989, the Joint Committee on Administrative Rules objected to the above emergency rulemaking. Failure of the agency to respond within 90 days of receipt of the Statement of Objection shall constitute a refusal to amend or repeal the rule.

The specific objection is as follows:

The Joint Committee objects to Section 240.220(a)(6) of the Department on Aging's emergency rulemaking entitled "Community Care Program" because any emergency that may exist regarding requirements for workers who provide chore and housekeeping services to the Department's Community Care Program clients has been created solely by the failure of the Department to adopt permanent rules pursuant to the provisions of Section 5.01 of the Illinois Administrative Procedure Act.

The Department has adopted emergency rules to delete a provision specifying that chore-housekeeping direct service workers shall only assist the client with personal care tasks, such as shaving and bathing, when the chore-housekeeping worker meets the homemaker service requirements. The Department's emergency rule became effective August 18, 1989, and was published in the August 25, 1989 Illinois Register. In the July 14, 1989 Illinois Register, the Department adopted amendments to Part 240 that were effective July 1, 1989. The adopted rulemaking amended Section 240.220(a)(6) by adding a provision specifying that a chore-housekeeping service worker may assist with the chore-housekeeping service components, such as performing routine housekeeping tasks and assisting clients in the performance of personal care tasks, only when the chore worker meets the homemaker requirements, including training and supervisor-to-staff ratio requirements. The July 14, 1989, rulemaking was adopted pursuant to Section 5.01 of the Illinois Administrative Procedure Act.

JOINT COMMITTEE ON ADMINISTRATIVE RULES  
ILLINOIS GENERAL ASSEMBLYSTATEMENT OF OBJECTION TO EMERGENCY RULEMAKINGDEPARTMENT ON AGING  
(Continued Page 2)

Section 5.02 of the Illinois Administrative Procedure Act provides that "emergency" means the existence of any situation which any agency finds reasonably constitutes a threat to the public interest, safety or welfare. The Department was asked to explain the threat to the public interest, safety, or welfare which justified the use of emergency rulemaking and why this situation required adoption of these rules upon fewer days notice than is required by Section 5.01 of the Illinois Administrative Procedure Act. The Department stated that the threat to public safety and welfare is that the rules currently prohibit the majority of the chore-housekeeping workers employed by vendors with whom the Department has contracted from assisting 15,140 Community Care Program clients in the performance of personal care tasks. The Department stated that if it is required to retain this provision until the completion of rulemaking under Section 5.01 of the Illinois Administrative Procedure Act there would be a drastic disruption in service delivery to the Department's clients.

The Department explained that following the adoption of the amendments to Section 240.220 that were effective July 1, 1989, the Department discovered that a sentence in subsection (a)(6), which should have been deleted, had been inadvertently amended and retained. The Department explained that this sentence, which states that chore-housekeepers are able to assist Community Care Program clients with personal care tasks only when the chore workers meet the homemaker training and supervisor-to-worker ratio requirement, in essence prohibits the majority of chore-housekeeping workers from assisting clients with personal care. The Department stated that assisting with these tasks has been a component of chore-housekeeping service since the inception of the Community Care Program. According to the Department, approximately 15,140 clients are served by chore-housekeepers in a month, while 8,785 clients are served by homemakers. The Department stated that many of its vendors are exclusively chore-housekeeping providers and that these vendors would be unable to provide their workers with homemaker training requirements, currently mandated by Section 240.220(a)(6), which would allow the workers to assist with personal care tasks.

The Department explained that homemaker service is a higher level of service than chore-housekeeping service, and is indicated only when a client is so impaired that he or she requires supervision to maintain, strengthen and safeguard the client's functioning in the home. The Department further explained that if only homemakers are permitted to assist with personal care tasks, many clients, who otherwise do not require it, would have to be transferred to homemaker service. The Department stated that because homemaker is a higher level of service

JOINT COMMITTEE ON ADMINISTRATIVE RULES  
ILLINOIS GENERAL ASSEMBLYSTATEMENT OF OBJECTION TO EMERGENCY RULEMAKINGDEPARTMENT ON AGING  
(Continued Page 3)

such a transfer would increase the cost of client care for the Department and for the client, who pays a portion of his/her own incurred monthly expense for care. In addition, the Department stated that this transfer of clients from chore-housekeeping to homemaker service could necessitate both a statewide solicitation by the Department in order to contract with additional homemaker vendors, and the possible cancellation of current chore-housekeeping contracts, as chore vendors would find their caseloads so reduced as to necessitate cessation of service.

The Department's reason for emergency rulemaking is not an emergency as defined by Section 5.02 of the Illinois Administrative Procedure Act. The Joint Committee has long taken the position that Section 5.02 procedures may not be used where the emergency is "agency created." This position has been supported by the Illinois Appellate Court, Third Division, in *Senn Park Nursing Center v. Miller* (1983), 118 Ill.App.3d 733, 455 N.E.2d 162, aff'd 104 Ill.2d 169, 470 N.E.2d 1040 (1984). The court stated that "it would defeat the purposes of the notice and comment procedures if any agency could dispense with such procedures by enacting an emergency rule where the 'emergency' was created by the agency's failure to follow these procedures in the first place."

Therefore, the Joint Committee objects to Section 240.220(a)(6) of the Department on Aging's emergency rulemaking entitled "Community Care Program" because any emergency that may exist regarding requirements for workers who provide chore and housekeeping services to the Department's Community Care Program clients has been created solely by the failure of the Department to adopt permanent rules pursuant to the provisions of Section 5.01 of the Illinois Administrative Procedure Act.

JOINT COMMITTEE ON ADMINISTRATIVE RULES  
ILLINOIS GENERAL ASSEMBLY

STATEMENT OF OBJECTION TO EMERGENCY RULEMAKING

DEPARTMENT OF REHABILITATION SERVICES

Heading of Part: Service Plan Development

Code Citation: 89 Ill. Adm. Code 700

Section Numbers: 700.200

Date Originally Published in Illinois Register: August 25, 1989  
13 Ill. Reg. 13684

At its meeting on October 17, 1989, the Joint Committee on Administrative Rules objected to the above emergency rulemaking. Failure of the agency to respond within 90 days of receipt of the Statement of Objection shall constitute a refusal to amend or repeal the rule.

The specific objection is as follows:

The Joint Committee objects to Section 700.200(a) of the Department of Rehabilitation Services rules entitled "Service Plan Development" (89 Ill. Adm. Code 700) because, there was no threat to the public interest, safety or welfare which justified the use of emergency rulemaking under Section 5.02 of the Illinois Administrative Procedure Act.

This emergency rulemaking establishes a wage increase for personal care attendants. Section 700.200(a) provides that DORS will pay no more than \$3.68 per hour for such services. The present rule provides that DORS cannot pay more than \$3.50 per hour for personal care services. The Department was asked to explain what the threat to the public interest, safety, or welfare will be if this emergency rule was not promulgated. The Department stated that this rulemaking was promulgated in order to comply with the requirements of Public Act 86-65 effective July 1, 1989. The Department said it thought that Public Act 86-65 authorized the hourly wage increase for personal care attendants. Therefore, the Department felt that emergency rules had to be promulgated in order to comply with the requirements of Public Act 86-65. The Department said it did not know if personal care attendants have already received an hourly wage increase even though personal care attendants have been notified by mail of this wage increase.

Section 5.02 of the Illinois Administrative Procedure Act (IAPA) allows for use of emergency rulemaking procedures when an agency reasonably finds a situation exists which constitutes a threat to public interest, safety or welfare which requires adoption of a rule upon fewer days

STATEMENT OF OBJECTION TO EMERGENCY RULEMAKING

DEPARTMENT OF REHABILITATION SERVICES

(Continued Page 2)

notice than is required under general rulemaking (Section 5.01 of the IAPA).

The Department's assertion that this emergency rulemaking had to be promulgated in order to ensure DORS's compliance with Public Act 86-65 effective July 1, 1989 is incorrect. Public Act 86-65 does not authorize an hourly wage increase for personal care attendants. Public Act 86-65 effective July 1, 1989 contains the Department of Rehabilitation Services' budget appropriation for FY90 and is silent as to any increase in the wages for personal care attendants. Public Act 86-65 appropriates the money for DORS to operate its programs. Section 1 of Public Act 86-908 which was approved on September 11, 1989 and becomes effective on January 1, 1990 provides:

Starting July 1, 1989, the Department shall provide a 5% increase in the hourly wage paid to an individual for services as a personal care attendant. Thereafter, the Department shall increase the hourly wage of personal care attendants to reflect changes in the Consumer Price Index For All Urban Consumers as determined by the United States Department of Labor. In no case shall the Department pay personal care attendants an hourly wage that is less than the federal minimum wage.

Public Act 86-908 passed both Houses on June 16, 1989 and the Governor signed the bill on September 11, 1989. Section 1(a) of "AN ACT in relation to the effective date of laws" (Ill. Rev. Stat. 1987, ch. 1, par. 1201 et seq.) provides that "[a] bill passed prior to July 1 of a calendar year that does not provide for an effective date on the terms of the bill shall become effective on January 1 of the following year, or upon its becoming law, whichever is later." As Public Act 86-908 passed both Houses prior to July 1, but does not provide for an effective date; Public Act 86-908 is effective on January 1, 1990.

Since Public Act 86-908 which authorizes an increase in the hourly rate for personal care attendants does not become effective until January 1, 1990, no emergency exists which requires emergency rules to be promulgated. It appears that the Department was confused as to what Public Act and by what date rules had to be promulgated to implement this wage increase. It seems clear that on January 1, 1990 the Department will be able to implement the law and provide the salary

JOINT COMMITTEE ON ADMINISTRATIVE RULES

(Continued Page 3)

increases retroactive to July 1, 1989. Despite the fact that such a course of action seems to be less than fair to the personal care attendants, the Department simply has no authority to provide a salary increase, and validly promulgate emergency rules until the law becomes effective. The Department stated that it agrees with the Joint Committee's assessment that since Public Act 86-908 does not become effective until January 1, 1990, there does not exist a situation which is a threat to the public interest, safety or welfare that justifies the promulgation of emergency rules.

Therefore, the Joint Committee objects to Section 700.200(a) of the Department of Rehabilitation Services rules entitled "Service Plan Development" (89 Ill. Adm. Code 700) because, there was no threat to the public interest, safety or welfare which justified the use of emergency rulemaking under Section 5.02 of the Illinois Administrative Procedure Act.

Whereas, inspired by the father of Turks, Ataturk, whose many speeches on the subject enshrine the spirit with which education and educators are to be looked upon, Teachers' Day is celebrated in Turkey on November 24th each year; and

Whereas, teachers are fundamental in preparing future citizens to cope with the rapidly changing conditions of life, and teachers can stimulate worthy purposes and direct pupil activity along lines that will result in maximum pupil growth intellectually, morally, physically, and artistically; and

Whereas, it is also the teachers who perform the hardest, yet the finest and noblest task. Skill, perseverance, and generous attitudes must be their attribute, and this is a great task, the dedication of a lifetime; and

Whereas, the millions of teachers of all levels of education should be remembered and honored by all nations;

Therefore, I, James R. Thompson, Governor of the State of Illinois, proclaim November 24, 1989, as TEACHERS' DAY in Illinois, and I urge all citizens to be aware on this day of the enormous challenge teachers are confronted with and to give special recognition to the honorable contributions of teachers to our society.

Issued by the Governor October 19, 1989.

Filed with the Secretary of State October 23, 1989.

## VETERANS DAY

Whereas, the men and women who have served in the Armed Forces of the United States of America have made major contributions toward the preservation of the freedom of this nation and its people; and

Whereas, the services performed by these millions of gallant Americans have demonstrated the willingness of our nation to meet the challenge of those forces wishing to subjugate individual determination through armed conflict; and

Whereas, the Congress of the United States of America has designated the 11th day of November of each year as Veterans Day; and

Whereas, Veterans Day has become a significant part of our national heritage as we recognize the important contributions of the millions of our citizens whose military service has had a profound effect on history; and

Whereas, the unselfishness of all those who served in the United States Armed Forces is a quality for which we all are grateful;

Therefore, I, James R. Thompson, Governor of the State of Illinois, proclaim November 11, 1989, as VETERANS DAY in Illinois, in conjunction with the national observance. I ask that the day be observed with appropriate ceremonies in honor of those who have served the national purpose to preserve the principles of justice, freedom, and democracy.

Issued by the Governor October 19, 1989.

Filed with the Secretary of State October 23, 1989.

## VETERANS' MEMORIAL MONUMENT DEDICATED

Whereas, the unselfishness of all those who served in the United States Armed Forces is a quality for which we all are deeply grateful; and

Whereas, the cost for winning our security was paid by those Americans who answered their nation's call to military service; and

Whereas, each year on Veterans Day we show our gratitude for the brave service of our veterans, for their actions on our behalf in defense of our country to ensure it remains secure, safe, and free for all Americans of present and future generations;

Therefore, I, James R. Thompson, Governor of the State of Illinois, on this Veterans Day, November 11, 1989, proclaim the Veterans' Memorial Monument be dedicated in DuQuoin, Illinois, as a memorial honor to the men and women who demonstrated their boundless love for our country.

Issued by the Governor October 19, 1989.

Filed with the Secretary of State October 23, 1989.

The Sections Affected Index lists, by Title, each Section of a codified Part on which rulemaking activity has occurred in this volume of the Register and is divided into two parts: the first lists the Sections on which rulemaking activity occurred in the previous issues of this volume year; the second lists the Sections on which rulemaking activity occurred in this issue of the Register. (The headings at the top of each page indicate the two parts: the first part shows the previous issue numbers inclusively and the date of the last published issue; the second lists the current issue number and date.) The columns in both parts indicate the type of rulemaking activity and the action taken along with the page number on which the first page of the notice of rulemaking activity appeared. If a Section on which action is being taken in the current volume (calendar year) of the Register was proposed in a previous volume, the last two digits of the previous volume's year appear immediately after the page number separated by a slash. (e.g. 1 Ill. Adm. Code 100.280 was proposed last year and adopted this year. The action entry reads: (P-8577/86; A-724)) The codes for both columns are listed below. For a complete listing of the Titles of the Illinois Administrative Code, please refer to 1 Ill. Adm. Code 100.140 or contact the Administrative Code Division.
